The project is implemented by:

Centre for
Gender
Studies

Care Object Interview Questions

- Can you describe your life before the pandemic?
- Can you describe your life now during the pandemic?
- How has your life changed during Covid?
- What do you think you represent to the person who uses you?
- What is your most beautiful memory?
- What is the worst thing that could happen to you?
- Are you appreciated and cared for enough?
- What are your dreams for after the pandemic?

Some of the pressures

Overwork

Guilt

Isolation

Lack of recognition

No time to oneself

Exhaustion

Too many responsibilities

With Covid 19...

Greater recognition in the family
that care work is work

More care work

Some sharing of tasks

What is the nature of care work?

- What kinds of tasks does it involve?
- What kinds of tools?

Value of care work:

- Social vs economic value
- Its invisible (mental/psychological) sides
- Its workers, paid and unpaid

Who does care work?

Where does care work happen?

- At home, in the community, state institutions

Caring for the carers:

- Who takes care of them?
- What about paid carers?
